Calling all 8th-12th graders in
Cambridge Public Schools
We want to hear from you!

**What does equity sound like, look like,
and feel like in CPS?**

One of the goals of the Office of Equity, Inclusion and Belonging (OEIB) is to build on the 12 Commitments from the Building Equity Bridges project, specifically centering youth voice. We want to learn from the youth perspective, so we recruited youth leaders throughout CRLS to plan, host, and facilitate CPS' 1st Youth Equity Leadership Summit. The feedback, ideas, and lessons gained from the summit will be used to inform the ongoing work of the OEIB.
