

A **big thanks** to all our supporters!

We thank all the teachers and staff of the school for their work organizing special events, and Gerald Yung and Marguerite Hicks-Gyewu for their help with the work of MLK Friends.

The following list includes parents who contributed to our MLK community by donating their time to events, donating funding to the Friends of the Dr. Martin Luther King, Jr. School annual appeal, serving on the School Council or serving as room parents. Thank you all!
