All of the information needed to activate your account can be found on the Aspen Parent Portal including the **parent primary email**, which is required in order to register. If you need to change the parent primary email then, please contact your child's Learning Community Clerk.

3 Vaccination- Fully Vaccinated

Students must be fully vaccinated by the "first in-person activity" for that sport, program, or club. This might be the first tryout, practice, or rehearsal of the season or semester. If, during the season or fall semester, students' become eligible for boosters, they are strongly encouraged to get boosted and stay up-to-date on the vaccination.

However, they will not be penalized if they do not receive the booster mid-season or mid-semester, and can continue to participate. If you receive your vaccination in Massachusetts, you do *not need* to upload your vaccination card. If you are vaccinated out-of-state or internationally, or wish to request an exemption from this requirement, please visit the CPS Family Portal (https://secure1.cpsd.us/family_portal/).

4 Concussion Course & Implicit Bias Education Videos

Student athletes must watch both the online Concussion Course and the Implicit Bias Videos. These courses are available at www.nfhslearn.com where you will create a profile to complete each.
